# Marietta Band Weekly

The latest news and upcoming events for your Blue Devil Band

## Friday Football Game!

Although our football game on Friday is still not 100% confirmed as of today (Monday August 31st), we are still planning on operating as normal. If we do not have a game on Friday, there is a plan on playing on the September 11th, if you are able, keep that Friday afternoon open! We will have more information on the game as soon as possible!

## Virtual MB members:

If you are a member of the MB but had yet to come to face to face rehearsals, remember to check the BAND app for all the music and some videos to get you familiarized!

## Volunteer sign ups

Parents, your assistance is needed for our first home game September 4th. We need several chaperones, pit crew movers & concession volunteers to help out at the game.
